Store and Share

Access or share your files online from anywhere at any time.

Singtel My Portal | Mobile Internet Filter

Mobile Internet Filter Settings

Profile Mgmt | Time Restrictions | Alert Settings | Activity Logs | FAQ

Select the mobile or tablet that you would want to enable internet filter and customise the different settings.

User:
Name:
Mobile / Data SIM Number: +65 Status: [Permission Given]

Configurations: Content Filter
 Time Restriction

Content Filter: [Content Categories](#)

Time Restriction: Time Profile 1 - Kids
 Time Profile 2
 Time Profile 3

Note: Mobile Internet Filter service will work on SingTel Mobile network only. Please turn off the WiFi's setting, be it at home or in school, to ensure that your child/ward is protected.

Step 3: Add the number you wish to block content usage

Mobile Internet Filter Settings

Profile Mgmt | **Time Restrictions** | Alert Settings | Activity Logs | FAQ

Select the day and time when you do not want this mobile or tablet to access the internet. You can create up to 3 different time profiles for each number.

User:
Time Profile:
Time Profile Name: (e.g. Weekday, Weekends. Max 20 characters)

Restricted Days: Monday Tuesday Wednesday Thursday Friday
 Saturday Sunday

Restriction Times:

	Start Time			End Time		
Time Frame 1	<input type="text" value="08"/>	<input type="text" value="00"/>	<input type="text" value="PM"/>	<input type="text" value="11"/>	<input type="text" value="30"/>	<input type="text" value="PM"/>
Time Frame 2	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>
Time Frame 3	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>
Time Frame 4	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>
Time Frame 5	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>	<input type="text" value="--"/>

Step 4: Manage the time restrictions and alert settings

Mobile Internet Filter Settings

Profile mgmt | **Time Restrictions** | **Alert Settings** | Activity Logs | FAQ

You can receive alerts when there is an attempt to view blocked sites.

Email:
Alternative Mobile Number: +65

Alert Options: SMS E-mail Disable alerts
