| (B) | The Company may issue shares for which no consideration is payable to the Company.                                | Issue of shares for no consideration         |

8. Subject to the Statutes and this Constitution, no shares may be issued by the Directors without the prior approval of the Company in General Meeting but subject thereto and to article 13, and to any special rights attached to any shares for the time being issued, the Directors may allot and issue shares or grant options over or otherwise dispose of the same to such persons on such terms and conditions and for such consideration (if any) and at such time and subject or not to the payment of any part of the amount (if any) thereof in cash as the Directors may think fit, and any shares may be issued with such preferential, deferred, qualified or special rights, privileges or conditions as the Directors may think fit, and preference shares may be issued which are or at the option of the Company are liable to be redeemed, the terms and manner of redemption being determined by the Directors, Provided always that:

Issue of shares

- (a) except with the prior approval of the Minister and/or the applicable regulatory authority, as the case may be, or except as permitted by article 6(B), no shares shall be issued to a person if, in the opinion of the Directors, such issue would result in a person (or, as the case may be, a person together with his associates) reaching or exceeding any of the Prescribed Limits;
- (b) except where approval has been granted by the Minister and/or the applicable regulatory authority, as the case may be, for the Company to continue to hold a relevant licence notwithstanding that the Foreign Shareholding Limit has been reached or exceeded, no shares shall be issued to a person if, in the opinion of the Directors, such issue would result in any foreign source, whether alone or together with one or more other foreign sources, reaching or exceeding the Foreign Shareholding Limit;
- (c) except as permitted by article 9, no shares shall be issued to any person or related group of persons if, in the opinion of the Directors, such person or related group of persons would, by reason of such issue have an interest, directly or indirectly, in more than 15 per cent. of the shares issued by the Company, excluding treasury shares, for the time being;
- (d) (subject to any direction to the contrary that may be given by the Company in General Meeting) any issue of shares for cash to members holding shares of any class shall be offered to such members in proportion as nearly as may be to the number of shares of such class then held by them and the provisions of the second sentence of article 13(A) with such adaptations as are necessary shall apply; and
- (e) any other issue of shares, the aggregate of which would exceed the limits referred to in article 13(B), shall be subject to the approval of the Company in General Meeting.

9. Subject to article 6, but notwithstanding any other provision of this Constitution, Temasek Holdings (Private) Limited and/or such person or persons approved by the Directors (the "Permitted Persons") shall be entitled to have an interest in more than 15 per cent. of the issued shares of the Company, excluding treasury shares.

Permitted Persons

(B) The Company has power to issue further preference capital ranking equally with, or in priority to, preference shares already issued.

Issue of further preference capital

## VARIATION OF RIGHTS

11. Whenever the share capital of the Company is divided into different classes of shares, subject to the provisions of the Statutes, preference capital, other than redeemable preference capital, may be repaid and the special rights attached to any class may be varied or abrogated either with the consent in writing of the holders of three-quarters of the issued shares of the class or with the sanction of a Special Resolution passed at a separate General Meeting of the holders of the shares of the class (but not otherwise) and may be so repaid, varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding up. To every such separate General Meeting all the provisions of this Constitution relating to General Meetings of the Company and to the proceedings thereat shall *mutatis mutandis* apply, except that the necessary quorum shall be two persons at least holding or representing by proxy at least one-third of the issued shares of the class and that any holder of shares of the class present in person or by proxy may demand a poll and that every such holder shall on a poll have one vote for every share of the class held by him, Provided always that where the necessary majority for such a Special Resolution is not obtained at such General Meeting, consent in writing if obtained from the holders of three-quarters of the issued shares of the class concerned within two months of such General Meeting shall be as valid and effectual as a Special Resolution carried at such General Meeting. The foregoing provisions of this article shall apply to the variation or abrogation of the special rights attached to some only of the shares of any class as if each group of shares of the class differently treated formed a separate class the special rights whereof are to be varied.

Variation of rights

12. The special rights attached to any class of shares having preferential rights shall not unless otherwise expressly provided by the terms of issue thereof be deemed to be varied by the issue of further shares ranking as regards participation in the profits or assets of the Company in some or all respects *pari passu* therewith but in no respect in priority thereto.

## ALTERATION OF SHARE CAPITAL

13. (A) Subject to any direction to the contrary that may be given by the Company in General Meeting or except as permitted under the listing rules of the Stock Exchange, all new shares shall, before issue, be offered to such persons who as at the date of the offer are entitled to receive notices from the Company of General Meetings in proportion, as far as the circumstances admit, to the number of the existing shares to which they are entitled. The offer shall be made by notice specifying the number of shares offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and, after the expiration

Offer of new shares to members

of that time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Directors may dispose of those shares in such manner as they think most beneficial to the Company. The Directors may likewise so dispose of any new shares which (by reason of the ratio which the new shares bear to shares held by persons entitled to an offer of new shares) cannot, in the opinion of the Directors, be conveniently offered under this article 13(A).

(B) Notwithstanding article 13(A), the Company may by Ordinary Resolution in General Meeting give to the Directors a general authority, either unconditionally or subject to such conditions as may be specified in the Ordinary Resolution, to:

General authority

- (a) (i) issue shares of the Company (“shares”) whether by way of rights, bonus or otherwise; and/or
- (ii) make or grant offers, agreements or options (collectively, “Instruments”) that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into shares; and
- (b) (notwithstanding the authority conferred by the Ordinary Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors while the Ordinary Resolution was in force,

Provided always that:

- (1) the aggregate number of shares to be issued pursuant to the Ordinary Resolution (including shares to be issued in pursuance of Instruments made or granted pursuant to the Ordinary Resolution) shall be subject to such limits and manner of calculation as may be prescribed by the Stock Exchange;
- (2) in exercising the authority conferred by the Ordinary Resolution, the Company shall comply with the listing rules of the Stock Exchange for the time being in force (unless such compliance is waived by the Stock Exchange) and this Constitution; and
- (3) (unless revoked or varied by the Company in General Meeting) the authority conferred by the Ordinary Resolution shall not continue in force beyond the conclusion of the Annual General Meeting of the Company next following the passing of the Ordinary Resolution, or the date by which such Annual General Meeting of the Company is required by law to be held, or the expiration of such other period as may be prescribed by the Statutes (whichever is the earliest).

(C) Except so far as otherwise provided by the conditions of issue or by this Constitution, all new shares shall be subject to the provisions of the Statutes and of this Constitution with reference to allotment, payment of calls, lien, transfer, transmission, forfeiture and otherwise.

New shares  
subject to the  
Statutes and this  
Constitution

14. (A) The Company may by Ordinary Resolution:
- (a) consolidate and divide all or any of its shares;
  - (b) subdivide its shares, or any of them (subject, nevertheless, to the provisions of the Statutes and this Constitution), and so that the resolution whereby any share is subdivided may determine that, as between the holders of the shares resulting from such subdivision, one or more of the shares may, as compared with the others, have any such preferred, deferred or other special rights, or be subject to any such restrictions, as the Company has power to attach to new shares; and
  - (c) subject to the provisions of the Statutes, convert its share capital or any class of shares from one currency to another currency.
- (B) The Company may by Special Resolution, subject to and in accordance with the Statutes, convert one class of shares into another class of shares.
15. (A) The Company may reduce its share capital or any undistributable reserve in any manner and with and subject to any incident authorised and consent required by law.
- (B) The Company may, subject to and in accordance with the Act, purchase or otherwise acquire its issued shares on such terms and in such manner as the Company may from time to time think fit. If required by the Act, any share which is so purchased or acquired by the Company shall, unless held in treasury in accordance with the Act, be deemed to be cancelled immediately on purchase or acquisition by the Company. On the cancellation of any share as aforesaid, the rights and privileges attached to that share shall expire. In any other instance, the Company may hold or deal with any such share which is so purchased or acquired by it in such manner as may be permitted by, and in accordance with, the Act. Without prejudice to the generality of the foregoing, upon cancellation of any share purchased or otherwise acquired by the Company pursuant to this Constitution, the number of issued shares of the Company shall be diminished by the number of the shares so cancelled, and, where any such cancelled share was purchased or acquired out of the capital of the Company, the amount of share capital of the Company shall be reduced accordingly.
- (C) The Company shall not exercise any right in respect of treasury shares other than as provided by the Act. Subject thereto, the Company may hold or deal with its treasury shares in the manner authorised by, or prescribed pursuant to, the Act.

## SHARES

16. Except as required by law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or compelled in any way to recognise any equitable, contingent, future or partial interest in any share, or any interest in any fractional part of a share, or (except only as by this Constitution or by law otherwise provided) any other right in respect of any share, except an absolute right to the entirety thereof in the person (other than the Depository or its nominee (as the case may be)) entered in the Register of Members as the registered holder thereof or (as the case may be) the person whose name is entered in the Depository Register in respect of that share.

17. Without prejudice to any special rights previously conferred on the holders of any shares or class of shares for the time being issued, any share in the Company may be issued with such preferred, deferred or other special rights, or subject to such restrictions, whether as regards dividend, return of capital, voting or otherwise, as the Company may from time to time by Ordinary Resolution or, if required by the Statutes, by Special Resolution determine (or, in the absence of any such determination, but subject to the Statutes, as the Directors may determine) and subject to the provisions of the Statutes, the Company may issue preference shares which are, or at the option of the Company are, liable to be redeemed.
- Rights and privileges of new shares
18. Subject to the provisions of this Constitution and of the Statutes relating to authority, pre-emption rights and otherwise and of any resolution of the Company in General Meeting passed pursuant thereto, all new shares shall be at the disposal of the Directors and they may allot (with or without conferring a right of renunciation), grant options over or otherwise dispose of them to such persons, at such times and on such terms as they think proper.
- Power of Directors to issue shares
19. The Company may pay commissions or brokerage on any issue of shares at such rate or amount and in such manner as the Directors may deem fit. - Power to pay commission and brokerage
20. Subject to the terms and conditions of any application for shares, the Directors shall allot shares applied for within ten Market Days of the closing date (or such other period as may be approved by the Stock Exchange) of any such application. The Directors may, at any time after the allotment of any share but before any person has been entered in the Register of Members as the holder or (as the case may be) before that share is entered against the name of a Depositor in the Depository Register, recognise a renunciation thereof by the allottee in favour of some other person and may accord to any allottee of a share a right to effect such renunciation upon and subject to such terms and conditions as the Directors may think fit to impose.
- Allotment of shares

Every person whose name is entered as a member in the Register of Members shall be entitled to receive, within ten Market Days (or such other period as may be approved by the Stock Exchange) of the closing date of any application for shares or, as the case may be, the date of lodgement of a registrable transfer, one certificate for all his shares of any one class or several certificates in reasonable denominations each for a part of the shares so allotted or transferred. Where such a member transfers part only of the shares comprised in a certificate, the old certificate shall be cancelled and a new certificate or certificates for the balance of such shares issued in lieu thereof and such member shall pay a maximum fee of S\$2 for each new certificate or such other fee as the Directors may from time to time determine having regard to any limitation thereof as may be prescribed by the Stock Exchange.

- (B) If any person whose name is entered in the Register of Members shall surrender for cancellation a share certificate representing shares held by him and request the Company to issue in lieu two or more share certificates representing such shares in such proportions as he may specify, the Directors may, if they think fit, comply with such request. Such person shall (unless such fee is waived by the Directors) pay a maximum fee of S\$2 for each share certificate issued in lieu of a share certificate surrendered for cancellation or such other fee as the Directors may from time to time determine having regard to any limitation thereof as may be prescribed by the Stock Exchange.
- Subdivision of share certificates
- (C) In the case of shares registered jointly in the names of several persons any such request may be made by any one of the registered joint holders.
- Requests by joint holders
25. Subject to the provisions of the Statutes, if any share certificate shall be defaced, worn out, destroyed, lost or stolen, it may be renewed on such evidence being produced and a letter of indemnity (if required) being given by the shareholder, transferee, person entitled, purchaser, member firm or member company of the Stock Exchange or on behalf of its or their client or clients as the Directors of the Company shall require, and (in case of defacement or wearing out) on delivery up of the old certificate and in any case on payment of such sum not exceeding S\$2 as the Directors may from time to time require. In the case of destruction, loss or theft, a shareholder or person entitled to whom such renewed certificate is given shall also bear the loss and pay to the Company all expenses incidental to the investigations by the Company of the evidence of such destruction or loss.
- Replacement share certificates

## CALLS ON SHARES

26. The Directors may from time to time make calls upon the members in respect of any moneys unpaid on their shares but subject always to the terms of issue of such shares. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed and may be made payable by instalments.
- Calls on shares
27. Each member shall (subject to receiving at least 14 days' notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his shares. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof. A call may be revoked or postponed as the Directors may determine.
- Notice of calls

28. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding ten per cent. per annum) as the Directors may determine but the Directors shall be at liberty in any case or cases to waive payment of such interest wholly or in part. Interest on unpaid calls
29. Any sum which by the terms of issue of a share becomes payable upon allotment or at any fixed date shall for all the purposes of this Constitution be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable. In case of non-payment all the relevant provisions of this Constitution as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified. When calls made and payable
30. The Directors may on the issue of shares differentiate between the holders as to the amount of calls to be paid and the times of payment. Power of Directors to differentiate
31. The Directors may if they think fit receive from any member willing to advance the same, all or any part of the moneys uncalled and unpaid upon the shares held by him and such payment in advance of calls shall extinguish *pro tanto* the liability upon the shares in respect of which it is made and upon the money so received (until and to the extent that the same would but for such advance become payable) the Company may pay interest at such rate (not exceeding eight per cent. per annum) as the member paying such sum and the Directors may agree. Capital paid on shares in advance of calls shall not, while carrying interest, confer a right to participate in profits. Payment of calls in advance

## FORFEITURE AND LIEN

32. If a member fails to pay in full any call or instalment of a call on the due date for payment thereof, the Directors may at any time thereafter serve a notice on him requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued thereon and any expenses incurred by the Company by reason of such non-payment. Notice requiring payment of calls
33. The notice shall name a further day (not being less than 14 days from the date of service of the notice) on or before which and the place where the payment required by the notice is to be made, and shall state that in the event of non-payment in accordance therewith the shares on which the call has been made will be liable to be forfeited. Notice to state place and time of payment
34. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may at any time thereafter, before payment of all calls and interest and expenses due in respect thereof has been made, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited share and not actually paid before forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder. Forfeiture on non-compliance with notice

35. A share so forfeited or surrendered shall become the property of the Company and may be sold, re-allotted or otherwise disposed of either to the person who was before such forfeiture or surrender the holder thereof or entitled thereto or to any other person upon such terms and in such manner as the Directors shall think fit and at any time before a sale, re-allotment or disposition the forfeiture or surrender may be cancelled on such terms as the Directors think fit. The Directors may, if necessary, authorise some person to transfer or effect the transfer of a forfeited or surrendered share to any such other person as aforesaid.
- Sale of forfeited shares
36. A member whose shares have been forfeited or surrendered shall cease to be a member in respect of the shares but shall notwithstanding the forfeiture or surrender remain liable to pay to the Company all moneys which at the date of forfeiture or surrender were presently payable by him to the Company in respect of the shares with interest thereon at eight per cent. per annum (or such lower rate as the Directors may determine) from the date of forfeiture or surrender until payment and the Directors may at their absolute discretion enforce payment without any allowance for the value of the shares at the time of forfeiture or surrender or waive payment in whole or in part.
- Rights and liabilities of members whose shares have been forfeited
37. The Company shall have a first and paramount lien on every share (not being a fully paid share) and dividends from time to time declared in respect of such shares. Such lien shall be restricted to unpaid calls and instalments upon the specific shares in respect of which such moneys are due and unpaid, and to such amounts as the Company may be called upon by law to pay in respect of the shares of the member or deceased member. The Directors may waive any lien which has arisen and may resolve that any share shall for some limited period be exempt wholly or partially from the provisions of this article.
- Company to have paramount lien
38. The Company may sell in such manner as the Directors think fit any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of 14 days after a notice in writing stating and demanding payment of the sum presently payable and giving notice of intention to sell in default shall have been given to the holder for the time being of the share or the person entitled thereto by reason of his death or bankruptcy.
- Sale of shares subject to lien
39. The net proceeds of such sale after payment of the costs of such sale shall be applied in or towards payment or satisfaction of the debts or liabilities and any residue shall be paid to the person entitled to the shares at the time of the sale or to his executors, administrators or assigns, or as he may direct. For the purpose of giving effect to any such sale the Directors may authorise some person to transfer or effect the transfer of the shares sold to the purchaser.
- Application of sale proceeds
40. A statutory declaration in writing that the declarant is a Director or the Secretary of the Company and that a share has been duly forfeited or surrendered or sold to satisfy a lien of the Company on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. Such declaration and the receipt of the Company for the consideration (if any) given for the share on the sale, re-allotment or disposal thereof together (where the same be required) with the share certificate delivered to a purchaser (or where the purchaser is a Depositor, to the Depository or its nominee (as the case may be)) or allottee thereof shall (subject to the execution of a transfer if the same be required) constitute good title to the share and the share shall be registered in the name of the person to whom the share is sold, re-allotted or disposed of or, where such person is a Depositor, the Company shall procure that his name be entered in the Depository
- Title to forfeited or surrendered shares

Register in respect of the share so sold, re-allotted or disposed of. Such person shall not be bound to see to the application of the purchase money (if any) nor shall his title to the share be affected by any irregularity or invalidity in the proceedings relating to the forfeiture, surrender, sale, re-allotment or disposal of the share.

## TRANSFER OF SHARES

41. All transfers of the legal title in shares may be effected by the registered holders thereof by transfer in writing in the form for the time being approved by the Stock Exchange or in any other form acceptable to the Directors. The instrument of transfer of any share shall be signed by or on behalf of both the transferor and the transferee and be witnessed, Provided always that an instrument of transfer in respect of which the transferee is the Depository or its nominee (as the case may be) shall be effective although not signed or witnessed by or on behalf of the Depository or its nominee (as the case may be). The transferor shall remain the holder of the shares concerned until the name of the transferee is entered in the Register of Members in respect thereof.

Form and execution of transfer

42. The Register of Members may be closed at such times and for such period as the Directors may from time to time determine, Provided always that such Register shall not be closed for more than 30 days in any calendar year, Provided always that the Company shall give prior notice of such closure as may be required to the Stock Exchange, stating the period and purpose or purposes for which the closure is made.

Closure of transfer books and Register of Members

43. (A) There shall be no restriction on the transfer of fully paid-up shares (except where required by law or the listing rules of, or bye-laws and rules governing, the Stock Exchange) but the Directors may, in their sole discretion, decline to register any transfer of shares upon which the Company has a lien and in the case of shares not fully paid-up may refuse to register a transfer to a transferee of whom they do not approve, Provided always that in the event of the Directors refusing to register a transfer of shares, they shall within ten Market Days beginning with the date on which the application for a transfer of shares was made, serve a notice in writing to the applicant stating the facts which are considered to justify the refusal as required by the Statutes.

Directors' power to decline to register a transfer

(B) The Directors may in their sole discretion refuse to register any instrument of transfer of shares unless:

When Directors may refuse to register a transfer

- (a) such fee not exceeding S\$2 as the Directors may from time to time require, is paid to the Company in respect thereof;
- (b) the amount of proper duty (if any) with which each instrument of transfer is chargeable under any law for the time being in force relating to stamps is paid;
- (c) the instrument of transfer is deposited at the Office or at such other place (if any) as the Directors may appoint accompanied by a certificate of payment of stamp duty (if any), the certificates of the shares to which the transfer relates, and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer and, if the instrument of transfer is executed by some other person on his behalf, the authority of the person so to do;

- (d) the instrument of transfer is in respect of only one class of shares; and
- (e) the instrument of transfer has a declaration attached to it duly made by or on behalf of the transferee stating:
  - (i) the extent of the transferee's interest, directly or indirectly, in the issued shares of the Company as at the date of the declaration;
  - (ii) whether or not the transferee is a foreign source;
  - (iii) whether or not the transferee is a nominee and (where the transferee is a nominee) such particulars of the interest in the shares comprised in such instrument of transfer as would otherwise have to be given under the provisions of sub-paragraphs (i) and (ii) above; and
  - (iv) such other information as may be required by the Directors for the purposes of article 44 or 46.

(C) The Directors may at any other time request the Depository or require a member or the holder of securities convertible into or giving the right to the holders thereof to subscribe for shares in the Company to submit a declaration or further declaration or furnish evidence or information for the purpose of ascertaining or verifying the interests of the member or holder of shares in the Company or matters related thereto (including whether or not the member or holder of shares in the Company holds any shares as a trustee and if so, particulars relating to the same). Provided that the Depository shall not be required to submit any declaration for the purposes of articles 43(B) and 44.

Directors may request for declaration, evidence or information

44. (A) The Directors may:

(B) Where article 44(A)(b)(i), 44(A)(b)(ii), 44(A)(b)(iii) or 44(A)(c) above applies, the Directors may additionally take all steps and do all acts or things as they may, in their absolute discretion, deem necessary and/or required to ensure that the provisions of the Broadcasting Act, the Telecommunications Act and/or any other legislation to which the Company is subject from time to time and/or any regulations, directives, guidelines, notices and/or codes of practice promulgated or issued thereunder from time to time, as the case may be, are or will be complied with. Without prejudice to the foregoing, the Directors shall take such action as may be directed by the Minister and/or the applicable regulatory authority, as the case may be, including but not limited to the following:

Directors may take additional steps to ensure compliance

Directors may refuse to register transfer of shares if Prescribed Limits or shareholding limits exceeded, or if transfer is to nominee

- (a) except as permitted by article 6(B), such transfer when registered would result in any person (or, as the case may be, any person together with his associates) reaching or exceeding any of the Prescribed Limits; or
- (b) except as permitted by article 9, such transfer when registered would result in any person or related group of persons other than a Permitted Person having an interest, directly or indirectly, in more than 15 per cent. of the issued shares of the Company, excluding treasury shares; or

Chairman of General Meeting

<p>65. No business other than the appointment of a chairman shall be transacted at any General Meeting unless a quorum is present at the time when the meeting proceeds to business. Save as herein otherwise provided, the quorum at any General Meeting shall be two or more members present in person or by proxy. Provided always that (i) a proxy representing more than one member shall only count as one member for the purpose of determining the quorum; and (ii) where a member is represented by more than one proxy such proxies shall count as only one member for the purpose of determining the quorum.</p>	<p>Quorum</p>
<p>66. If within 30 minutes from the time appointed for a General Meeting (or such longer interval as the chairman of the meeting may think fit to allow) a quorum is not present, the meeting, if convened on the requisition of members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if that day is a public holiday then to the next business day following that public holiday) at the same time and place or such other day, time or place as the Directors may by not less than ten days' notice appoint. In the case of a resolution duly proposed as a Special Resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.</p>	<p>Amendment of resolutions</p>
<p>70. (A) If required by the listing rules of the Stock Exchange, all resolutions at General Meetings shall be voted by poll (unless such requirement is waived by the Stock Exchange).</p>	<p>Mandatory polling</p>
<p>(B) Subject to article 70(A), at any General Meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by:</p>	<p>Method of voting where mandatory polling not required</p>

<p>(b) not less than two members present in person or by proxy and entitled to vote at the meeting; or</p>

- (d) a member present in person or by proxy and holding shares conferring a right to vote at the meeting, being shares on which an aggregate sum has been paid up equal to not less than five per cent. of the total sum paid up on all the shares conferring that right.

A demand for a poll made pursuant to this article 70(B) may be withdrawn only with the approval of the chairman of the meeting, and any such demand shall not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded. Unless a poll is demanded, a declaration by the chairman of the meeting that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the minute book, shall be conclusive evidence of that fact without proof of the number or proportion of the votes recorded for or against such resolution.

71. Where a poll is taken, it shall be taken in such manner (including the use of ballot or voting papers) as the chairman of the meeting may direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was taken. The chairman of the meeting may (and, if required by the listing rules of the Stock Exchange or if so directed by the meeting, shall) appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.

Taking a poll

72. A poll on the choice of a chairman or on a question of adjournment shall be taken immediately. 74. Subject and without prejudice to any special privileges or restrictions as to voting for the time being attached to any special class of shares for the time being forming part of the capital of the Company and to article 15(C), each member entitled to vote may vote in person or by proxy. Every member who is present in person or by proxy shall:

Voting by receivers

77. No member shall, unless the Directors otherwise determine, be entitled in respect of shares held by him to vote at a General Meeting either personally or by proxy or to exercise any other right conferred by membership in relation to meetings of the Company if any call or other sum presently payable by him to the Company in respect of such shares remains unpaid.

Entitlement of members to vote

78. No objection shall be raised as to the admissibility of any vote except at the meeting or adjourned meeting at which the vote objected to is or may be given or tendered and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection shall be referred to the chairman of the meeting whose decision shall be final and conclusive.

When objection to admissibility of votes may be made

79. On a poll, votes may be given either personally or by proxy and a person entitled to more than one vote need not use all his votes or cast all the votes he uses in the same way.

- (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on the shares of the relevant class in respect whereof the share election has been duly exercised (the "elected shares") and, in lieu and in satisfaction thereof, shares of the relevant class shall be allotted and credited as fully paid to the holders of the elected shares on the basis of allotment determined as aforesaid. For such purpose and notwithstanding the provisions of article 143, the Directors shall (i) capitalise and apply out of the amount standing to the credit of any of the Company's reserve accounts or any amount standing to the credit of the profit and loss account or otherwise available for distribution as the Directors may determine, such sum as may be required to pay up in full the appropriate number of shares for allotment and distribution to and among the holders of the elected shares on such basis, or (ii) apply the sum which would otherwise have been payable in cash to the holders of the elected shares towards payment of the appropriate number of shares of the relevant class for allotment and distribution to and among the holders of the elected shares on such basis.

(B) The shares of the relevant class allotted pursuant to the provisions of article 138A(A) shall rank *pari passu* in all respects with the shares of that class then in issue save only as regards participation in the dividend which is the subject of the election referred to above (including the right to make the election referred to above) or any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneous with the payment or declaration of the dividend which is the subject of the election referred to above, unless the Directors shall otherwise specify.

Ranking of shares

(C) The Directors may, on any occasion when they resolve as provided in article 138A(A), determine that rights of election under that article shall not be made available to the persons who are registered as holders of shares in the Register of Members or (as the case may be) in the Depository Register, or in respect of shares, the transfer of which is registered, after such date as the Directors may fix subject to such exceptions as the Directors think fit, and in such event the provisions of this article 138A shall be read and construed subject to such determination.

Record date

(D) The Directors may, on any occasion when they resolve as provided in article 138A(A), further determine that:

Eligibility

- (a) no allotment of shares or rights of election for shares under article 138A(A) shall be made available or made to members whose registered addresses entered in the Register of Members or (as the case may be) the Depository Register is outside Singapore or to such other members or class of members as the Directors may in their sole discretion decide and in such event the only entitlement of the members aforesaid shall be to receive in cash the relevant dividend resolved or proposed to be paid or declared;
- (b) no allotment of shares or rights of election for shares under article 138A(A) shall be made available or made to any person, or any person and his associates, if such allotment or rights of election would in the opinion of the Directors cause such person, or such person together with his associates, to reach or exceed any of the Prescribed Limits, except with the prior approval of the Minister and/or the applicable regulatory authority, as the case may be, or except as permitted by article 6(B);
- (c) no allotment of shares or rights of election for shares under article 138A(A) shall be made available or made to any person, if such allotment or rights of election would in the opinion of the Directors cause any foreign source, whether alone or together with one or more other foreign sources, to reach or exceed the Foreign Shareholding Limit, except where approval has been granted by the Minister and/or the applicable regulatory authority, as the case may be, for the Company to continue to hold a relevant licence notwithstanding that the Foreign Shareholding Limit has been reached or exceeded; and

(d) no allotment of shares or rights of election for shares under article 138A(A) shall be made available or made to any person or related group of persons who are not Permitted Person(s), if such allotment or rights of election would in the opinion of the Directors cause such person or related group of persons to have an interest, directly or indirectly, in more than 15 per cent. of the shares issued by the Company, excluding treasury shares, for the time being.

(E) Notwithstanding the foregoing provisions of this article 138A, if at any time after the Directors' resolution to apply the provisions of article 138A(A) in relation to any dividend but prior to the allotment of shares pursuant thereto, the Directors shall consider that by reason of any event or circumstance (whether arising before or after such resolution) or by reason of any matter whatsoever it is no longer expedient or appropriate to implement that proposal, the Directors may at their discretion and as they deem fit in the interest of the Company and without assigning any reason therefor, cancel the proposed application of article 138A(A).

Disapplication

(F) The Directors may do all acts and things considered necessary or expedient to give effect to the provisions of article 138A(A), with full power to make such provisions as they think fit in the case of shares of the relevant class becoming distributable in fractions (including, notwithstanding any provision to the contrary in this Constitution, provisions whereby, in whole or in part, fractional entitlements are disregarded or rounded up or down).

Any dividend or other moneys payable in cash on or in respect of a share may be paid by cheque or warrant sent through the post to the registered address appearing in the Register of Members or (as the case may be) the Depository Register of a member or person entitled thereto (or, if two or more persons are registered in the Register of Members or (as the case may be) entered in the Depository Register as joint holders of the share or are entitled thereto in consequence of the death or bankruptcy of the holder, to any one of such persons) or to such person at such address as such member or person or persons may by writing direct. Every such cheque or warrant shall be made payable to the order of the person to whom it is sent or to such person as the holder or joint holders or person or persons entitled to the share in consequence of the death or bankruptcy of the holder may direct and payment of the cheque or warrant by the banker upon whom it is drawn shall be a good discharge to the Company. Every such cheque or warrant shall be sent at the risk of the person entitled to the money represented thereby.

Notwithstanding the provisions of article 139 and the provisions of article 142, the payment by the Company to the Depository of any dividend payable to a Depositor shall, to the extent of the payment made to the Depository, discharge the Company from any liability to the Depositor in respect of that payment.

Payment to Depository good discharge

141. If two or more persons are registered in the Register of Members or (as the case may be) the Depository Register as joint holders of any share, or are entitled jointly to a share in consequence of the death or bankruptcy of the holder, any one of them may give effectual receipts for any dividend or other moneys payable or property distributable on or in respect of the share.

Payment of dividends to joint holders

142. Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in General Meeting or a resolution of the Directors, may specify that the same shall be payable to the persons registered as the holders of such shares in the Register of Members or (as the case may be) the Depository Register at the close of business on a particular date and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights *inter se* in respect of such dividend of transferors and transferees of any such shares.

(B) The Directors may do all acts and things considered necessary or expedient to give effect to any such bonus issue and/or capitalisation under article 143(A), with full power to the Directors to make such provisions as they think fit for any fractional entitlements which would arise on the basis aforesaid (including provisions whereby fractional entitlements are disregarded or the benefit thereof accrues to the Company rather than to the members concerned).
