

## Call Return

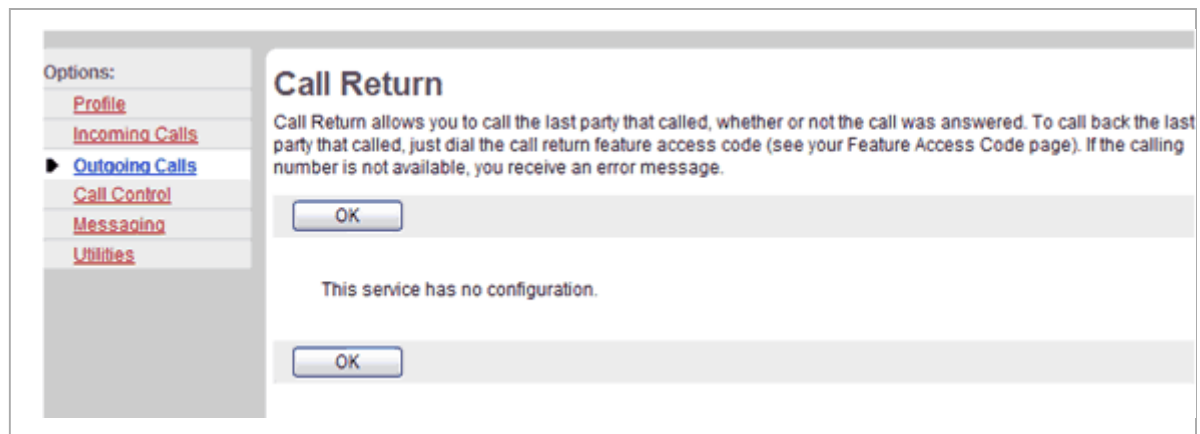

Use this menu item on the User - Outgoing Calls menu page to

Return a Call to the Last Party that Called You

The Call Return service allows you to easily return your last call, using a Feature Access Code.

### Return a Call to the Last Party that Called You

Use this procedure to return a call to the last number that called you, whether or not the call was answered.

Outgoing Calls - Call Return

1. On the User - Outgoing Calls menu page click Call Return. The User - Call Return page displays, giving instructions for Call Return.
2. To call back the last party who called you, enter the Call Return Feature Access Code at your phone.
3. To display the previous page, click OK. The User - Outgoing Calls page is displayed.

To Activate:

Lift up handset → Press \* 8 7 → User will be connected to the party that tried to last reach him / her
