Step 1: Access Online CIS Shop via MyInfo

Visit Online CIS Shop at <https://www.singtel.com/CISonline>.
Click on "Use MyInfo" and log in with your SingPass credentials.

Note: Ensure that you have a CPF contribution.

The screenshot shows the Singtel Corporate Individual Scheme (CIS) online shop interface. At the top, there is a navigation bar with the Singtel logo and links for Products & Services, My Account, Support, and Promotions. On the right, there are links for Personal, Business, and About Us, along with search, user profile, and Shop icons. The main content area features a large blue banner with the text "Corporate Individual Scheme (CIS)" and a cartoon character holding a tablet displaying the Singtel CIS logo and the URL "singtel.com/CISonline". A circular callout bubble next to the character says "Remember to upload your staff pass." Below the banner, there are two white boxes. The left box is titled "Get access link with company email" and contains a text input field for "Enter your company email" and a "Send access link" button. The right box is titled "Get quick access with MyInfo" and contains a "Use MyInfo" button with a red arrow pointing to it. A disclaimer in the right box states: "For CIS customers without a company email, use MyInfo to retrieve your personal details securely and instantly. We will only retrieve your identity, contact and proof of employment details for verification purposes." Below this, it says "By proceeding, you will be redirected to log in to MyInfo via SingPass and retrieve your data from Government agencies. [Learn More](#)".
