

Investor factsheet September 2018

All figures as at 30 September 2018 unless otherwise stated

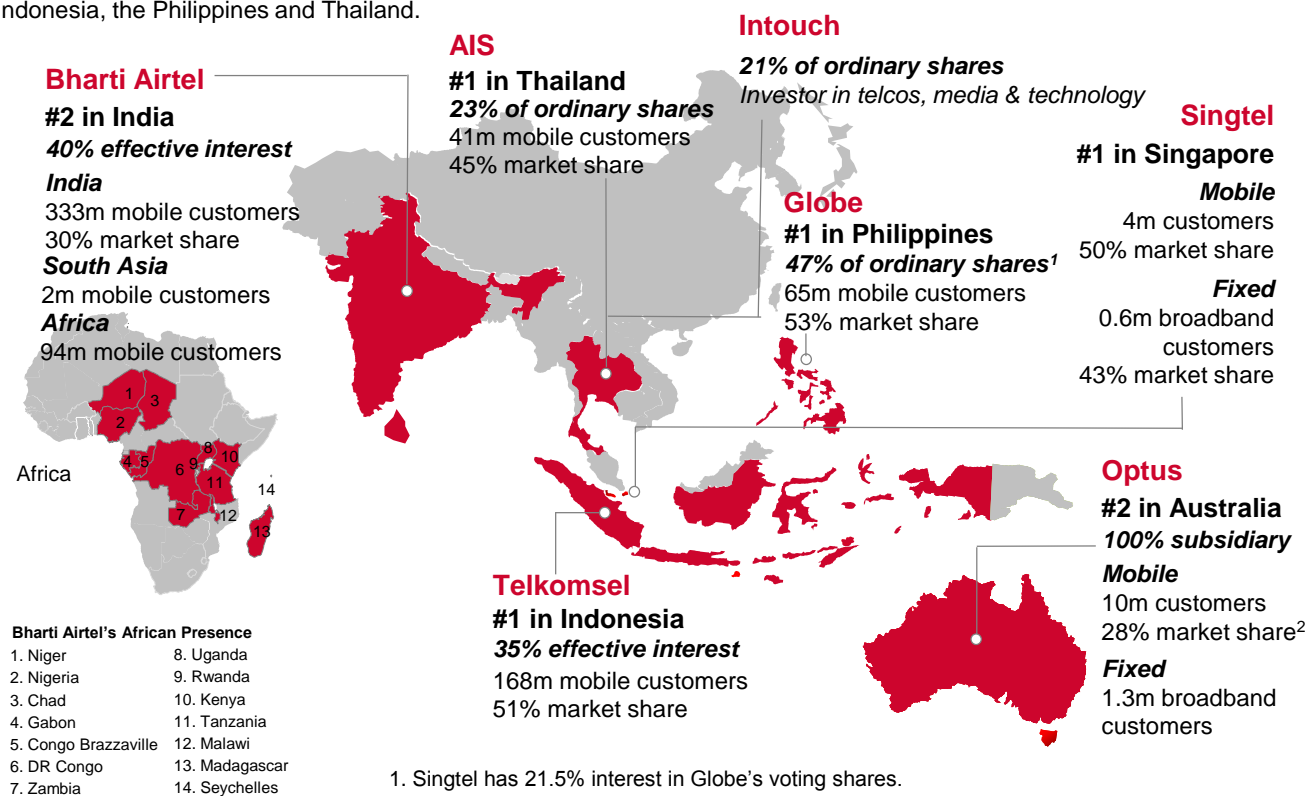

Overview

The Singtel Group is Asia's leading communications group with operations and investments around the world.

With significant operations in Singapore and Australia (through wholly-owned subsidiary Singtel Optus), the Group provides a wide spectrum of multimedia and infocomms technology (ICT) solutions, including voice, data and video services over fixed and wireless platforms.

The Group has presence in Asia Pacific and Africa with 717 million mobile customers in 21 countries, including India, Indonesia, the Philippines and Thailand.

1. Singtel has 21.5% interest in Globe's voting shares.
2. Revenue market share estimated by Optus as of 30 June 2018.

1. FY2018 financials restated from adoption of all applicable Singapore Financial Reporting Standards (International).
2. Underlying net profit is defined as net profit before exceptional items and exchange differences on capital reductions of certain overseas subsidiaries, net of hedging, as well as significant exceptional items of associates.
3. For FY2018, includes exceptional gains of S\$2.0 billion from the divestment of NetLink Trust
4. Free cash flow refers to cash flow from operating activities, including dividends from associates, less cash capital expenditure. For FY2017, Group free cash flow includes S\$142 million (A\$134 million) payment to the Australian Taxation Office for amended assessment.

Important Note

The above info may contain forward looking statements by the management of Singapore Telecommunications Limited ("Singtel"), relating to financial trends for future periods, compared to the results for previous periods. Some of the statements contained in this factsheet that are not historical facts are statements of future expectations with respect to the financial conditions, results of operations and businesses, and related plans and objectives. Forward looking information is based on management's current views and assumptions including, but not limited to, prevailing economic and market conditions. These statements involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those in the statements as originally made. Such statements are not, and should not be construed as a representation as to future performance of Singtel. In particular, such targets should not be regarded as a forecast or projection of future performance of Singtel. It should be noted that the actual performance of Singtel may vary significantly from such targets. "S\$" means Singapore dollars and "A\$" means Australian dollars unless otherwise indicated. Any discrepancies between individual amounts and totals are due to rounding.
