

Investor factsheet June 2020

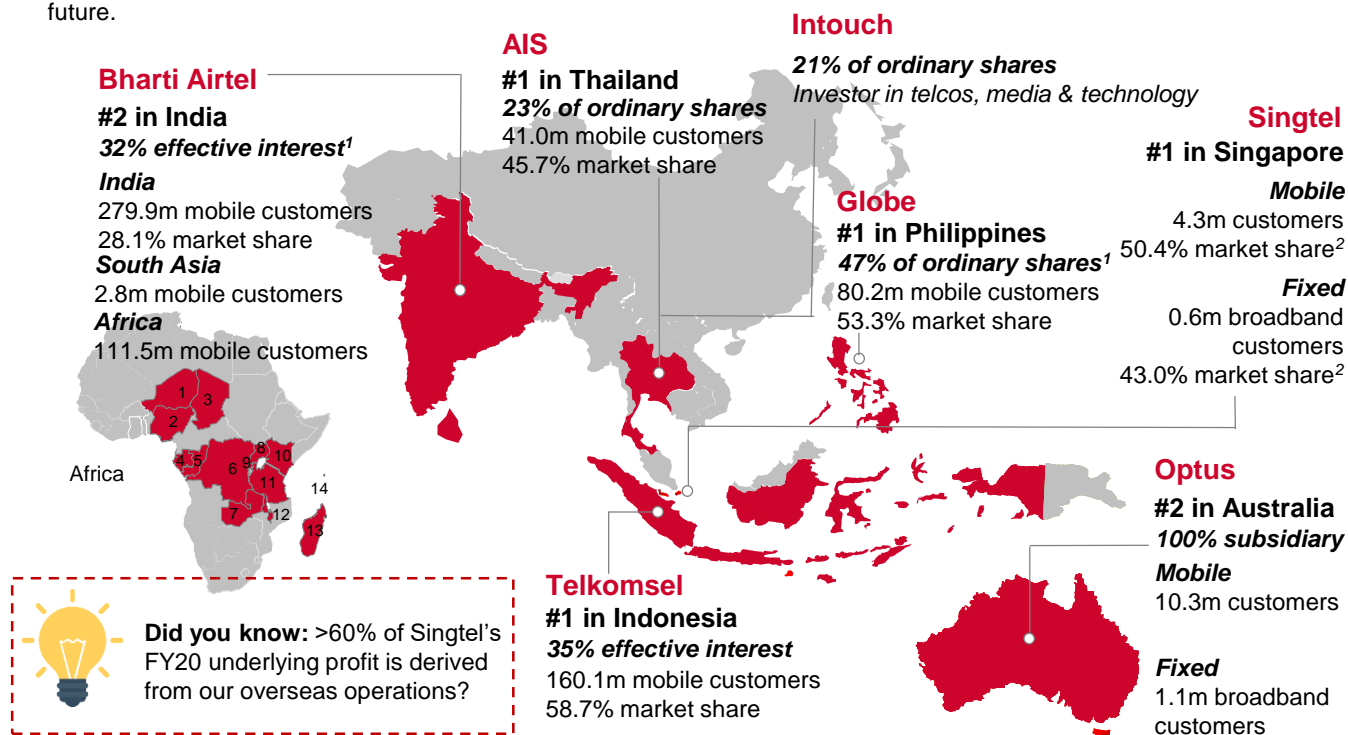

All figures as at 30 June 2020 unless otherwise stated

Overview

The Singtel Group is Asia's leading communications technology group, providing an extensive range of telecommunications and digital services to consumers and businesses across Asia, Australia, Africa and the US. It serves over 690 million mobile customers in 21 countries, including Singapore, Australia (via wholly-owned subsidiary Singtel Optus) and the emerging markets of India, Indonesia, the Philippines, Thailand and Africa.

The Group has diversified beyond its core carriage business. For the financial year ended March 2020, InfoCommunications (ICT), cyber security and digital marketing jointly contributed S\$4.2 billion or a quarter of its revenue. Its carriage business generates steady cash flows, while the digital operations are its growth engines into the future.
