Google	Mobile	Pixel 3	9.0	DRM channels cannot play
		Pixel 3 XL	9.0	DRM channels cannot play

Cast is only available on the list of compatible devices above. We are working towards having this app available in more devices ahead. We appreciate your kind understanding and patience.

Please note that devices will not be supported if such are jailbroken, have modified root access or have application APK extracted, including those with non-official OS updates.

List is updated as of 09 Nov 2018.
