6. Can I use the dongle or tablet for LTE roaming?

Yes. The device must be LTE supported to access LTE roaming. Please check with your device manufacturer to determine if your device is LTE supported. In addition, please ensure that you have the pre-requisites indicated in Question 4.

7. Is there a guaranteed speed for LTE roaming?

The connection speed is dependent on the Visitor Network’s coverage of the partner operator. Customers may connect back to the 3G network if you are not located within the partner operator’s LTE coverage.

8. Do I need to change any settings on my device to enjoy LTE roaming?

Please perform the following steps in order to enjoy LTE roaming:

- Check that the following Data Roaming settings are enabled
  - Your device setting
  - ‘Roaming Settings’ within My Singtel app
- Check that LTE network setting is enabled on your device
- Manually select and connect to preferred network.

9. Are Multi-SIM users able to use LTE roaming with multiple devices?

You may not be able to use LTE roaming on all your devices as it is subjected to foreign operator’s network restrictions.

*Note: Multi-SIM customers will incur data roaming charges on a per SIM card basis. For instance, a customer with data roaming switched on for 2 devices (with data roaming usage detected on both devices) will incur charges on both SIM cards.*
2. **FAQs for AutoRoam and Pay-As-U-Roam**

1. **What is the difference between AutoRoam and Pay-As-U-Roam?**

   AutoRoam and Pay-As-U-Roam enables you to connect to Singtel’s roaming service in more than 238 international destinations. AutoRoam has a recurring subscription fee of $10 per month and you can roam with no added surcharge to the Pay-Per-Use roaming rates. Pay-As-U-Roam has no recurring monthly fee but a 25% surcharge will apply to the Pay-Per-Use roaming rates.

2. **I have subscribed to AutoRoam at $10 per month. How much do I need to pay for the data roaming usage?**

   Your data roaming usage will be charged according to the prevailing Pay-Per-Use roaming data rates starting from $15/MB depending on the country that you are travelling in.

3. **I have subscribed to Pay-As-U-Roam. How much do I need to pay for the data roaming usage?**

   Your data roaming usage will be charged according to the prevailing Pay-Per-Use roaming data rates starting from $15/MB depending on the country that you are travelling in. In addition, a 25% surcharge will be applied on the accumulated data roaming rates.

4. **I have subscribed to AutoRoam at $10 per month. Why do I still need to subscribe to a roaming plan?**

   AutoRoam is a roaming enabler that enables you to connect to Singtel’s roaming service in more than 238 international destinations. To avoid incurring Pay-Per-Use roaming data rates that start from $15/MB, you can subscribe to a roaming plan that suit your needs. Visit My Singtel app to view the range of roaming plans.

5. **I have subscribed to Pay-As-U-Roam. Why do I still need to subscribe to a roaming plan?**

   Pay-As-U-Roam is a roaming enabler that enables you to connect to Singtel’s roaming service in more than 238 international destinations. To avoid incurring Pay-Per-Use roaming data rates that start from $15/MB and an additional surcharge of 25%, you can subscribe to a roaming plan that suit your needs. Visit My Singtel app to view the range of roaming plans.

   *Note: The 25% surcharge is not applicable on the subscription of all roaming plans.*

3. **Will the start and end date of ReadyRoam 1GB 30 Days be based on the timing of the foreign destination that I am in?**

   Yes, the start and end date of ReadyRoam 1GB 30 Days will be based on the timing of the foreign destination that you are in.

4. **I am transiting via Japan on 1 November and will arrive in USA on 31 October. Which start date should I select for ReadyRoam 1GB 30 Days 56 Destinations Plan to data roam in both destinations?**

   As USA is 13 hours behind Japan, please select the start date as 31 October to use the ReadyRoam 1GB data bundle across both destinations.

5. **Can I subscribe to ReadyRoam 1GB 30 Days plans in advance?**

   Yes, you can subscribe up to 14 days in advance of the selected start date.

6. **Can I subscribe to another ReadyRoam 1GB 30 Days Plan after I have utilised the 1GB bundled data within 30 days?**

   You do not need to subscribe to another ReadyRoam 1GB 30 Days Plan as another 1GB of data will be automatically provisioned to you when you have fully utilised the 1GB bundled data within the current plan’s 30-day validity period.

7. **What happens if I did not completely utilise the 1GB bundled data within 30 days?**

   There will be no refund given for unused data allowance. All unused data allowance will expire at 23:59hrs (foreign destination time) of the 30th day upon activation.
8. I am travelling to Malaysia and Thailand. Can I use ReadyRoam 1GB 30 Days 9 Destinations Plan in both destinations?

Yes, you can use the 1GB data bundle across any of the 9 destinations if your travel period to both destinations is within 30 days. E.G. 500MB in Malaysia and 500MB in Thailand.

9. I am travelling to Malaysia and Thailand and have both DataRoam 1GB Malaysia Monthly Recurring and ReadyRoam 1GB 30 Days 9 Destinations. Can I subscribe to both roaming plans for my trip?

Yes, you can subscribe to both roaming plans. If you are in Malaysia first, data usage will be deducted from DataRoam 1GB Malaysia Monthly Recurring Plan followed by ReadyRoam 1GB 30 Days 9 Destinations Plan. When the bundled data from both plans have been fully utilised, you will be automatically provisioned with another 1GB of data at $12.

10. I am travelling to Vietnam and Myanmar. Can I use ReadyRoam 1GB 30 Days 9 Destinations Plan in both destinations?

You will have to subscribe to ReadyRoam 1GB 30 Days 18 Destinations Plan in order to have your data roaming usages covered by our ReadyRoam plans.

11. I am travelling to China and Indonesia. Can I use ReadyRoam 1GB 30 Days 18 Destinations in both destinations?

Yes, you can use the 1GB data bundle across any of the 18 destinations if your travel period is within 30 days. E.G. 500MB in China and 500MB in Indonesia.

12. I am travelling to China and Indonesia and have both ReadyRoam 1GB 30 Days 9 and 18 Destinations plans. Can I subscribe to both roaming plans for my trip?

Yes, you can subscribe to both roaming plans. If you are in Indonesia first, data usage will be deducted from ReadyRoam 1GB 30 Days 9 Destinations Plan followed by ReadyRoam 1GB 30 Days 18 Destinations Plan. When the bundled data from both plans have been fully utilised and you are still in Indonesia, you will be automatically provisioned with another 1GB of data at $12. If you are in China, another 1GB of data will be provisioned automatically to you at $20.

13. I am travelling to South Korea and Italy. Can I use ReadyRoam 1GB 30 Days 56 Destinations in both destinations?

Yes, you can use the 1GB data bundle across any of the 56 destinations if your travel period is within 30 days. E.G. 500MB in South Korea and 500MB in Italy.

14. I am travelling to South Korea and Italy and have both ReadyRoam 1GB 30 Days 18 and 56 Destinations plans. Can I subscribe to both roaming plans for my trip?

Yes, you can subscribe to both roaming plans. If you are in South Korea first, data usage will be deducted from ReadyRoam 1GB 30 Days 18 Destinations Plan followed by ReadyRoam 1GB 30 Days 56 Destinations Plan. When the bundled data from both plans have been fully utilised and you are still in South Korea, you will be automatically provisioned with another 1GB of data at $20. </table>

18. I have subscribed to ReadyRoam 1GB 30 Days 56 Destinations Plan from 1 to 30 November. Why have I received expiry alerts on 29 November?

The expiry alerts are sent based on Singapore timing (GMT +8). However, the end date of the plan is based on the foreign destination that you are in. Please ignore the expiry alert as you can still enjoy the plan till 23:59hrs on 30 November (USA timing).

19. Can I sign up for two or more ReadyRoam 1GB 30 Days plans of the same zone?

No, you can subscribe only to one ReadyRoam 1GB 30 Days Plan of the same zone within the 30 day period. Another 1GB of data will be provisioned automatically to you when you have fully utilised the 1GB bundled data. Hence, you do not need to subscribe to two or more ReadyRoam plans of the same zone.

20. Can I sign up for all three ReadyRoam 1GB 30 Days plans at the same time?

Yes, you can subscribe to all three ReadyRoam 1GB 30 Days plans within the same 30 day period. Data usage will be deducted from ReadyRoam 1GB 30 Days 9 Destinations first followed by ReadyRoam 1GB 30 Days 18 Destinations and lastly ReadyRoam 1GB 30 Days 56 Destinations.
21. Can I subscribe to ReadyRoam 1GB 30 Days and DataRoam Unlimited Daily for the same destination within the same travelling period?

Yes. Data usage will be deducted from the DataRoam Unlimited Daily first. Data will only be deducted from your ReadyRoam 1GB 30 Days Plan bundle on the days that you do not have a DataRoam Unlimited Daily Plan.

22. I am Auto-Subscribed to DataRoam Unlimited Daily. Can I subscribe to ReadyRoam 1GB 30 Days?

Please note that you will not be able to subscribe to ReadyRoam 1GB 30 Days if you have auto-subscribed to DataRoam Unlimited Daily. Please unsubscribe from the auto-subscription via My Singtel app.

23. Can I subscribe to ReadyRoam 1GB 30 Days and DataRoam 100MB 30 Days within the same travelling period?

Yes. If you are in a destination that is not covered by ReadyRoam 1GB 30 Days, data usage will be deducted from your DataRoam 100MB 30 Days Plan.
If you are in a destination that is covered by both ReadyRoam 1GB 30 Days and DataRoam 100MB 30 Days, data usage will be deducted from ReadyRoam 1GB 30 Days first, followed by DataRoam 100MB 30 Days.

24. If I have activated a ReadyRoam 1GB 30 Days Plan but would like to have more data, can I terminate my ReadyRoam 1GB 30 Days Plan and subscribe to a DataRoam Unlimited Daily Plan instead?

No, once ReadyRoam 1GB 30 Days Plan has been activated at 00:00hrs of the requested start date, you will not be able to terminate the plan. However, you can subscribe to an additional DataRoam Unlimited Daily Plan to enjoy unlimited data roaming for the same travelling period.

25. Is there Pay-As-U-Roam surcharge for the subscription of ReadyRoam 1GB 30 Days?

No, there is no Pay-As-U-Roam surcharge for the subscription of ReadyRoam 1GB 30 Days.

26. How will the charges for ReadyRoam 1GB 30 Days Plan be reflected in my bill?

Below is a sample bill of how the subscription charge will be reflected.
If you have exceeded the 1GB bundled data, the automatically provisioned charges will be reflected within your next 2 subsequent bills. The difference in the timing of the subscription charge and automatically provisioned charge is due to the system consolidating your data roaming usage and calculating how many automatically provisioned charges you have incurred.

27. I received a SMS informing me that I have been migrated to a new billing system. How will the charges for ReadyRoam 1GB 30 Days Plan be reflected in the new bill?

Below is a sample bill of how the subscription charge will be reflected in the new bill.

<table>
<thead>
<tr>
<th>One Time Charge</th>
<th>57.00</th>
</tr>
</thead>
<tbody>
<tr>
<td>G SIM Card</td>
<td>35.00</td>
</tr>
<tr>
<td>G Service Registration Fee</td>
<td>10.00</td>
</tr>
<tr>
<td>Z ReadyRoam 1GB 30 Days 9 Destinations (11-May-17 to 09-Jun-17)</td>
<td>12.00</td>
</tr>
</tbody>
</table>

If you have exceeded the 1GB bundled data, the automatically provisioned charges will be reflected under Data Roaming Usage section within the same bill.

<table>
<thead>
<tr>
<th>Data Roaming Usage (1MB = 1024KB)</th>
<th>12.00</th>
</tr>
</thead>
<tbody>
<tr>
<td>Date</td>
<td>Destination</td>
</tr>
</tbody>
</table>

For example, you have subscribed to a ReadyRoam 1GB 30 Days 9 destinations Plan and incurred 1.5GB of data in Malaysia. The subscription price of $12 will be reflected under the ‘One Time Charge’ section. The automatically provisioned charges of $12 for the excess 500MB will be reflected under ‘Data Roaming Usage’ section.

28. When should I activate Auto-Subscribe to ReadyRoam 1GB 30 Days (AutoReadyRoam)?

If you are a frequent traveler who travel to multiple destinations, AutoReadyRoam saves you the hassle of manually activating a ReadyRoam plan each time you travel. When you use roaming in any of the 56 destinations on our preferred networks, we will automatically activate the best multi-destination ReadyRoam plan for you.
29. What are the channels available for me to activate AutoReadyRoam?

To activate AutoReadyRoam, you only need to perform a one-time activation via My Singtel app > Roaming > Roaming Settings > Auto-subscribe to ReadyRoam

30. Do I need to pay for the AutoReadyRoam service?

No, AutoReadyRoam is a free service which you can subscribe before you travel. However, the subscription fee of the activated ReadyRoam 1GB 30 Days Plans are charged separately at $12/ $20/ $35.

31. Will the cheapest ReadyRoam plan be activated automatically when I travel to any of the 56 countries?

Yes, the lowest ReadyRoam tier will be automatically activated for all countries except Malaysia. When you use data roaming in Malaysia, ReadyRoam 9 Destinations plan at $12 will be automatically activated for you instead of the ReadyRoam Malaysia plan at $5.

32. I am traveling to Malaysia only, why is the ReadyRoam 9 Destinations plan at $12 being auto-activated for me instead of the ReadyRoam Malaysia plan at $5?

AutoReadyRoam is a feature that is suited for frequent travelers who are traveling to multiple destinations. If you are traveling to Malaysia only, you can subscribe the ReadyRoam Malaysia plan at $5 via My Singtel app before your travel.

If you are a frequent traveler to Malaysia, you can also subscribe to our DataRoam 2GB Monthly Recurring Malaysia plan at $10 per month. If you have subscribed to any of the Malaysia plans mentioned above, you will not be automatically activated with a ReadyRoam 9 Destinations plan at $12 via AutoReadyRoam when you use data roaming in Malaysia.

33. What happens if I am subscribed to AutoReadyRoam and I subscribe for a ReadyRoam 1GB 30 Days 18 Destinations plan manually before my travel?

If you have subscribed to any ReadyRoam 1GB 30 Days plans manually via My Singtel app, *7626, *100# or 1688 hotline, your subscription will be successful and you will receive a confirmation SMS. Additional ReadyRoam plans for the same coverage will not be auto-activated via AutoReadyRoam when you start to use data roaming in the foreign destination.

For example, you have already subscribed to AutoReadyRoam and you manually activate a ReadyRoam 9 Destinations plan via My Singtel app before you leave Singapore. You will receive a confirmation SMS upon successful activation of your ReadyRoam 9 Destinations plan. When you use data roaming in any of the 9 destinations, you will not be auto-activated with another ReadyRoam plan via AutoReadyRoam. In your bill, you will only be charged with one ReadyRoam 9 Destinations plan at $12. If you enter a destination that is not covered under the ReadyRoam 9 Destinations plan then another ReadyRoam plan of a higher tier will be auto-activated for you.
34. I am travelling to more than one country in 30 days, will I be charged for two plans?

AutoReadyRoam will auto-activate the best multi-destination ReadyRoam plan for you when data usage is detected on a preferred network in any of the 56 destinations covered.

For example:

a. If you travel to Australia (first country), ReadyRoam 9 Destinations at $12 will be automatically activated. If you travel to Indonesia (second country) within the next 30 days, no additional ReadyRoam plans will be auto-activated as both countries are covered under the ReadyRoam 9 Destinations plan.

b. If you travel to USA (first country), ReadyRoam 56 Destinations at $35 will be automatically activated. If you travel to Indonesia (second country) within the next 30 days, no additional ReadyRoam plans will be auto-activated as both countries are covered under the ReadyRoam 56 Destinations plan.

c. If you travel to Australia (first country), ReadyRoam 9 Destinations at $12 will be automatically activated. If you travel to USA (second country), ReadyRoam 56 Destinations at $35 will be automatically activated because ReadyRoam 9 Destinations does not cover USA. In your bill, you will be charged for both ReadyRoam plans at $12 and $35 respectively.

Your 30-day coverage for each ReadyRoam plan will commence from the day the plan is activated. For example: You travel to Australia on 5 Nov, followed by USA on 20 Nov. Australia activation for ReadyRoam 9 Destinations will be from 05 Nov to 04 Dec, and USA activation for ReadyRoam 56 Destinations will be from 20 Nov to 19 Dec.

35. What happens when my 1GB bundled data in is used up?

Excess roaming data will be charged at $12/ $20/ $35 per GB depending on the ReadyRoam plan that has been auto-activated and the destination where you incur the roaming data usages.

For example:

a. If you travel to both Australia (first country) and Indonesia (second country), ReadyRoam 9 Destinations at $12 will be activated automatically. If you exceed the 1GB data in either countries, another 1GB will be activated automatically at $12.

b. If you travel to both Indonesia (first country) and Japan (second country), ReadyRoam 9 Destinations at $12 and ReadyRoam 18 Destinations at $20 will be activated automatically.
   - If you exceed the 1GB data in Indonesia before traveling to Japan, another 1GB will be activated automatically at $12.
   - If you exceed the 1GB data in Japan, another 1GB will be activated automatically at $20.
   - If you travel to Indonesia again after Japan, excess roaming data usage will be deducted from the ReadyRoam 18 Destinations plan if you have leftover data. Once you exceed the 1GB, another 1GB will be activated automatically at $12.

c. If you travel to both USA (first country) and Indonesia (second country), ReadyRoam 56 Destinations at $35 will be activated automatically. If you exceed the 1GB data in either counties, another 1GB will be activated automatically at $35.

36. What happens if I am subscribed to AutoReadyRoam and I travel to a destination that is not covered by any of the ReadyRoam plans?

If you travel to any destinations that is not covered by our ReadyRoam plans, the ReadyRoam Network Lock will be activated and your data roaming usage will be restricted. You will receive a SMS to guide you on how to subscribe to another roaming plan that is available for the destination you are in.
37. I am currently subscribed to the Auto-Subscribe DataRoam Unlimited Daily, can I also subscribe to the AutoReadyRoam?

If you are currently auto-subscribed to DataRoam Unlimited Daily, you will need to unsubscribe the auto-subscription from My Singtel app > Roaming Settings. You will be able to subscribe to AutoReadyRoam thereafter.

38. What is the difference between AutoReadyRoam and Auto-Subscribe DataRoam Unlimited Daily?

AutoReadyRoam automatically activates the best multi-destination ReadyRoam 1GB 30 Days plan at $12/ $20/ $35 when you use data roaming in any of the 56 destinations on our preferred networks.

Auto-Subscribe DataRoam Unlimited Daily automatically activates a DataRoam Unlimited Daily plan at $19/ $25/ $29 per day when data usage is detected on our preferred networks in over 100 destinations.

39. I am a MobileShare customer and have subscribed to AutoReadyRoam on my main line. Will my supplementary lines be able to enjoy this feature as well?

All roaming plans are not shareable between the main and supplementary lines for MobileShare. If your supplementary lines would like to enjoy the AutoReadyRoam service, they will need to subscribe to it via My Singtel app.

2. What are the pre-requisites for subscribing to DataRoam Unlimited Daily Plans?

a. You must have either
   - An AutoRoam or Pay-As-U-Roam service; and
   - GPRS service
b. You must be a Singtel postpaid mobile customer
c. You should not have Auto-Subscribed to DataRoam Unlimited Daily.
3. **What are the channels available for me to subscribe to DataRoam Unlimited Daily Plans?**

You can subscribe to DataRoam Unlimited Daily Plans via the following channels
- My Singtel app > Roaming
- Dial *100# while overseas
- Dial *7626 in Singapore or SMS *7626 to 3333 while overseas (Roaming SMS charges apply)

4. **Can I subscribe to DataRoam Daily Unlimited Plans in advance?**

Yes, you can subscribe to the plans up to 7 days in advance.

5. **Why am I charged for data roaming usage even when I’m in Singapore?**

Due to our close proximity to our neighboring countries, you may sometimes receive a signal from an overseas operator even though you are in Singapore. If you encounter such a problem, you may avoid accidentally roaming to a foreign network by manually selecting ‘Singtel’ on your mobile handset/device.

6. **Why am I being charged for data roaming even though I have signed up for DataRoam Unlimited Daily Plans?**

DataRoam Unlimited Daily Plans are only applicable if you log on to the preferred networks. Please ensure you are logged on to the correct partner network when roaming overseas. You may activate My Singtel app and select “Roaming” or refer to our Roaming User Guide for a list of our preferred networks.

7. **What is the supported network and handset display for my DataRoam Unlimited Daily Plans?**

You can view the partner networks online here or via My Singtel app > “Roaming”.

8. **Will I receive any expiry and usage alerts for my DataRoam Unlimited Daily Plans?**

Yes, you will receive alerts 3 hours before your plan expires and upon expiry.

*Note: Alerts are sent out based on Eastern Standard Time for destinations with multiple time zones.*

9. **Are the alerts free?**

There is no roaming charge when you receive the SMS alert. However, there will be data charges if you choose to view email alerts via mobile. Please note that if you wish to activate a roaming plan via SMS while overseas (SMS *7626* to 3333), you will be liable for roaming SMS charge.

10. **How can I view my data roaming usage?**

You can view it via the following channels:
- Activate My Singtel app and select Roaming
- Dial *7626* (from Singapore) or SMS *7626* to 3333 (when overseas)
- Flash Message (*100#) when you are overseas

*Please note that the prevailing roaming SMS or roaming data charges apply if you are checking overseas.*

11. **What is Daily Fair Usage Policy?**

In order to provide customers with fast and reliable mobile internet service, all DataRoam Unlimited Daily Plans are subject to daily fair usage policy. If you exceed the daily fair usage, Singtel will impose a speed limit (64kbps) on data roaming services without prior notification. This speed limit will be lifted at 00:00 hours (based on overseas time) the following day.
12. **When should I activate the auto-subscription to DataRoam Unlimited Daily Plans?**

If you are a frequent traveller who would like to enjoy seamless mobile data connectivity, you can auto-subscribe to a DataRoam Unlimited Daily Plan when you use data roaming in over 100 destinations. An unlimited daily data plan will be automatically activated when data usage is detected on preferred network in any Singtel-covered destination.

13. **What are the channels available for me to auto-subscribe to DataRoam Unlimited Daily Plans?**

To auto-subscribe to DataRoam Unlimited Daily Plans, you only need to perform a one-time activation in one of the following ways:
   a. Dial *1626 (Follow the SMS instructions to Auto-Subscribe to DataRoam Unlimited Daily)
   b. My Singtel app > Roaming > Roaming Settings > Auto-Subscribe to DataRoam

14. **Do I need to pay for the auto-subscription to DataRoam Unlimited Daily Plans?**

No, auto-subscription to DataRoam Unlimited Daily is a free service. However, the subscription fee of the activated DataRoam Unlimited Daily Plans are charged separately and are based on prevailing rates which can be found [here](#).

7. FAQs for Fair Usage Policy

1. What is included in my DataRoam Unlimited Daily Plan subscription?

   For a daily flat rate, you will enjoy unlimited data for the day.

2. What is Daily Fair Usage Policy?

   Daily Fair Usage Policy is designed to reduce the speeds of only the 5% of users who are responsible for generating large volumes of traffic on our roaming partner's network. These users often have filesharing software or peer-to-peer/torrent apps on their phones or tables, and download large-format files such as music, videos and movies consistently.

   In order to provide customers with fast and reliable mobile internet service, all DataRoam Unlimited Daily and BlackBerry DataRoam plans subscribers are subject to daily fair usage policy. If Customers exceed the daily fair usage, Singtel will impose a speed limit (64kbps) on data roaming services without prior notification. This speed limit will be lifted at 00:00 hours (based on overseas time) the following day.

3. Is the Fair Usage Policy being communicated on the website?

   Yes, you may find the Fair Usage Policy under the Terms & Conditions for DataRoam Unlimited Daily here.

4. What is the Daily Fair Usage Limit?

   The Daily Fair Usage Limit is subjected to change without prior notification depending on network capacity and traffic management.

5. Will I still be able to use data roaming after I have exceeded the Daily Fair Usage Limit?

   You may experience difficulty with heavy internet activities like streaming and downloads but you can still continue to surf websites, use Facebook, Twitter, etc.

6. Are there any alternatives to increase the speed limit after I have exceeded the Daily Fair Usage Limit?

   No, there are no alternatives to increase the speed limit after you have exceeded the Daily Fair Usage Limit. The Fair Usage Policy will be lifted the next day and you can continue to enjoy normal surfing speeds.

   DataRoam Unlimited Daily Plans are generally meant for normal surfing, emails, browsing and search activities. Customers who frequently use file-sharing software or peer-to-peer/torrent apps on their phones/tablets to download large files such as music, videos and movies consistently are usually affected by Fair Usage Policy.

7. Why am I experiencing slow data roaming speeds?

   Data roaming speed may vary depending on:
   - Overseas network coverage
   - Overseas network capacity
   - Daily Fair Usage Policy

4. Do I need to subscribe to another DataRoam 100MB Daily Plan after I have utilised the 100MB bundled data?

   If you have fully utilised the 100MB allowance, another DataRoam 100MB Daily Plan will be automatically activated for you at additional charges of $10 per 100MB. This automatic provisioning of the plan is capped at a maximum of 5 plans per day. This means after your first subscription of the plan, there will only be an additional 4 plans that will be auto-provisioned within the same day.
5. What happens after I reached the maximum cap of 5 plans?

There will be no additional charges after the 5th plan has been auto-provisioned and you can enjoy unlimited data for the rest of the day.

6. Will I receive any alerts before a new DataRoam 100MB Daily Plan is auto-provisioned to me?

Yes, alerts will be sent to you when you have utilised 50% and 90% of your bundled data. In both the 50% and 90% usage alert, you will be informed that another DataRoam 100MB Daily Plan will be auto-provisioned to you. There are also instructions in the alert for you to stop the activation should you want to.

7. How will I be charged the next day after I reached the maximum cap of 5 plans today?

If you have also subscribed to DataRoam 100MB Daily for the next day, you will continue to enjoy $10 per 100MB.

8. Can I subscribe to DataRoam 100MB Daily in advance?

Yes, you can subscribe to the plan up to 7 days in advance.

9. Can I subscribe to DataRoam 100MB Daily and DataRoam Unlimited Daily for the same destination during the same travelling period?

You can only have 1 active plan per destination, per day and cannot subscribe to both plans for the same day and destination. You can subscribe to both DataRoam 100MB Daily and DataRoam Unlimited Daily for different destinations during the same travelling period.

10. Can I subscribe to DataRoam 100MB Daily and DataRoam Monthly Recurring Plans during the same travelling period?

Yes, you can. Data usage will be deducted from the bundled data in your DataRoam 100MB Daily Plan first on the days that you have subscribed to it. If you have fully utilised the 100MB allowance, another DataRoam 100MB Daily Plan will be automatically activated for you at an additional charge of $10 per 100MB. This automatic provisioning of the plan is capped at a maximum of 5 plans per day.

Data will only be deducted from the bundled data in your DataRoam Monthly Recurring Plan on the days that you do not have a DataRoam 100MB Daily Plan.

11. Is there Pay-As-U-Roam surcharge for DataRoam 100MB Daily?

No, there is no Pay-As-U-Roam surcharge.

12. If I incur pay per use charges on the preferred network in one of the 100 destinations, can I request to backdate a DataRoam 100MB Daily Plan?

No, we’re unable to backdate with DataRoam 100MB Daily. However, we can backdate with a DataRoam Unlimited Daily Plan that starts from $19/day (admin fee of $10 applies) to cover your pay per use charges on Singtel’s preferred network.

13. If I have activated DataRoam 100MB Daily and realize that I need more data, can I terminate my DataRoam 100MB Daily Plan and subscribe for DataRoam Unlimited Daily instead?

Once a DataRoam 100MB Daily Plan has been activated after 00:00hrs of the requested date, you are unable to terminate the plan. However, if you require a bigger data roaming bundle in the subsequent period for your trip, you may switch from the DataRoam 100MB Daily to DataRoam Unlimited Daily, before 00:00hrs of the next day.

9. FAQs for In-flight Unlimited Data Plan

1. What are the pre-requisites for subscribing to In-flight Unlimited Data Plan?
   a. You must have either
      • An AutoRoam or Pay-As-U-Roam service; and
      • GPRS service
   b. You must be a Singtel postpaid mobile customer.

2. What are the channels available for me to subscribe to In-flight Unlimited Data Plan?
   You can dial *100# during a cruising flight to subscribe to the plan.

3. Which airlines offer In-flight Unlimited Data Plan?
   OnAir and AeroMobile are currently available on selected aircrafts under Singapore Airlines or other airlines.
   The cabin crew on the flight will make an announcement if an inflight service is available.

4. Can I get connected immediately once I enter the aircraft?
   You can connect to OnAir or AeroMobile network while cruising but not on ground, during aircraft take-off or landing.

5. What can I do with In-flight Unlimited Data Plan?
   In-flight Unlimited Data Plan supports messaging optimally. If you’ll like to share photos or surf on content & image intensive sites, your experience may not be optimal.

6. What is the speed of the In-flight Unlimited Data Plan?
   The network speed of in-flight connectivity is dependent on the in-flight network operators (OnAir or AeroMobile) and the regulations governing air travel. The in-flight network operators are constantly reviewing and innovating their services to provide a better surfing experience for the customers.

7. I will be travelling from United Kingdom to Singapore with different time zones. How will I be charged for the In-flight Unlimited Data Plan?
   In-flight Unlimited Data Plan will be activated for 24 hours from the time of activation. If the total travelling time for your flight from United Kingdom to Singapore is less than 24 hours, you will only need to subscribe to one In-flight Unlimited Data Plan. You may check the status of your subscribed plan via My Singtel app > Roaming.

8. I will be travelling from Singapore to Japan and will be stopping over in Hong Kong for a few hours. Can I use the In-flight Unlimited Data Plan for both flights?
   If OnAir or AeroMobile network is available on both of your flights, you may use the In-flight Unlimited Data Plan within 24 hours from the time of activation. You may check the status of your subscribed plan via My Singtel app > Roaming.

9. I have Auto-Subscribed to DataRoam Unlimited Daily, will the In-flight Unlimited Data Plan be auto-activated when I start to use data in the aircraft during a cruising flight?
   In-flight Unlimited Data Plan will not be auto-activated via auto-subscription to DataRoam Daily Unlimited. You will need to subscribe to the In-flight Unlimited Data Plan in order to enjoy unlimited data roaming in the aircraft during a cruising flight.

10. I have Auto-Subscribed to DataRoam Unlimited Daily. Why am I being activated with a DataRoam Unlimited Daily Malaysia Plan when I am in the aircraft?
During take-off or landing, a DataRoam Unlimited Daily Plan may be automatically activated due to low elevation of the aircraft, and strong signals from ground levels. To prevent this from happening, you may wish to turn on flight-mode on your phone during take-off and landing, and when the aircraft is near your destination.

11. I have received the SMS check from SIA and would like to continue using data. Will there be any roaming charges if I reply to the SMS?

Yes, roaming SMS charges will apply based on the prevailing rates.

12. Are MobileShare lines eligible for In-flight Unlimited Data Plan?

Yes, MobileShare supplementary lines can sign up for the plan. However, the plan cannot be shared between the main and supplementary lines.

2. What are the pre-requisites for subscribing to SMSVoiceRoam 7 Days?

a. You must have either
   - An AutoRoam or Pay-As-U-Roam service; and
   - GPRS service

b. You must be a Singtel postpaid mobile customer.
3. **What are the types of call available for the bundled minutes?**

You can use the bundled minutes for the following type of calls:

- **Incoming**: User receives an incoming call. This is subjected to re-routed call charges.
- **Outgoing Call Local**: User makes an outgoing call to a local number in the destination that the user is travelling in.
- **Outgoing Call Singapore**: User makes an outgoing call back to Singapore

**Note:**
1. Roaming voice call is charged on a per minute basis. For USA and Canada, call charges will be incurred after 30 seconds of ringing even if incoming calls are unanswered.
2. Rerouted IDD Calls are incoming calls you received (including rejected calls) while you were overseas and have been rerouted from Singapore to the country you are in. You will be billed the Singtel IDD rate.

4. **How will I be charged if I have used up the bundled 30 minutes of voice call or 60 SMSes?**

You will be charged at prevailing voice and SMS roaming rates.

5. **What happens if I subscribe to SMSVoiceRoam 7 Days in the middle of my bill cycle? Will it be subjected to pro-rating?**

This plan is independent of the bill cycle. Hence your subscription and your bundled voice and SMS will not be pro-rated.

6. **Can I transfer my plan to someone else? What will happen to the plan when I do so?**

Yes, you may transfer your plan. The service will be available to the transferee (Customer B). The transferee follows transferor’s (Customer A) tenure.

7. **Can I have 2 SMSVoiceRoam 7 Days plans of the same zone at any one time?**

No, you are not able to.

8. **Can I purchase 2 SMSVoiceRoam 7 Days plans of different zones at any one time?**

Yes, you are able to.

9. **Is SMSVoiceRoam 7 Days a recurring plan?**

No, SMSVoiceRoam 7 Days will automatically deactivate at 12 midnight, 7 consecutive days after the date of activation or upon exhaustion of the bundled minutes and SMS, whichever is earlier.

10. **Will my call be covered under SMSVoiceRoam 7 Days Asia if I call my friend who is in Korea from Taiwan?**

No, this will be considered Call International, and it will not be covered within the plan.

Back to top.
11. **FAQs for Multi-SIM with Roaming**

1. **Can I roam with all the Multi-SIM Cards?**

   This is subjected to foreign network restriction. Hence, it is recommended to turn on ONLY 1 device while roaming.

2. **What will happen if I turn on all devices with Multi-SIM Cards while roaming?**

   You might not be able to use data on some of your Multi-SIM Cards. This is subjected to foreign network restriction. However, you may use any of the devices to send/receive calls and SMS.

   *Note: Multi-SIM customers will incur data roaming charges on a per SIM card basis. For instance, a customer with data roaming turned on for 2 devices (and dataroom usage detected on both devices) will incur charges on both SIM cards.*

   *If you do not wish to incur data roaming charges, please access My DataRoam Settings by activating My SingTel app > Roaming > Usage to disable data roaming before travel.*

3. **I have to use 2 Multi-SIM Cards but only wish to use 1 card (assuming card A) to use data while roaming. How can I do so?**

   You need to first turn on the device inserted with card A when you are overseas. Then follow by the other device.

   *Note: For foreign operators which support 2 simultaneous data sessions, you can use all 2 Multi-SIM cards for data.*

4. **When roaming, will all Multi-SIM Cards log on to the same network?**

   If the SIM Cards are set to “Auto Selection of Network”, it is possible that the different SIM Cards will log on to different operators/networks. To ensure that they log on to a single operator/network, set the Multi-SIM cards to “Manual Selection of Network” and select your desired network.

5. **I have only turned on 2 Multi-SIM Cards using Optus network. Why is it that I can only use data on 1 device?**

   Newer devices allow multiple data sessions. For example Blackberry can have 2 data sessions (1 for sending/receiving emails, while another for data/WAP surfing). This is subjected to foreign network restriction. Some of the networks allow only 2 data sessions simultaneously.

6. **Can I trigger any of the Multi-SIM Cards to receive calls/SMS while roaming?**

   Yes, you can dial *141# to change the preferred Multi-SIM card for receiving calls/SMS.
